MEMORANDUM FOR: Project Director of Administration

SUBJECT : Security Personnel (Increase in Staff)

REFERENCE : Memorandum for Director of Administration, dated
6 December 1955, from Project Security Offr,
subject as above.

This is to confirm my understanding of the provision to be made for Security personnel on the Project T/O. The referenced memorandum requested some seven positions. After discussion with the DD/S, you, the Project Security Officer and I agreed that an increase of four positions on the Project T/O would be in accordance with the general policy established by the DD/S but that the Director of Security should make his own request to the DD/S for other slots, even though that request was made necessary by the work-load imposed on his Office by this project. I will, of course, be ready to support in an appropriate fashion any such request by the Director of Security.
